Before diving into chords and scales, it's important to grasp why foundational knowledge sets the stage for successful guitar playing. Choosing the Right Guitar: Types and Features

The first step in beginning guitar lessons involves selecting an instrument that aligns with your musical interests, physical comfort, and budget. The two main types of guitars for beginners are acoustic and electric, each with its own advantages and considerations.

Acoustic Guitars

- Pros: No need for additional equipment; portable; ideal for singing along and solo playing.
